The OSP should provide only those OSs as per the list and prices approved by Mission in the RFP and should provide OSs on the basis of a written request by the applicant and should not refuse any OS listed or charge more than the approved rates which will lead to the imposition of penalties as indicated in the SLA. The prices quoted for Service Fee by L1, L2 and so on, will be announced along with the details of Total Expenditure and Total Receipts quoted by the respective Bidding Companies. (Copy of the Costing Sheet of the Bidding Company will not be provided to others as it is deemed commercially confidential).
- e. Thereafter, the Financial Bid (Annex-C) will be evaluated by the Outsourcing Committee in the Mission in regard to the viability of the Service Fee for the Service Provider to be able to provide services of the desired quality. The Financial Bids which are found to be unviable are liable to be rejected as unresponsive. Of the remaining Financial Bids which are found to be viable, the lowest evaluated Bidder (L1) will be decided on the basis of the number arrived at as per the following formula:

$$\text{Lowest quotient (Q)} = \frac{(\text{Sum of: Service Fee for Basic service} + \text{Finger biometric fee} + \text{Facial biometric fee}) \times 0.90 + \text{Sum of all Optional services charges}^*)}{18^{\#}} \times 0.10$$

*OS fee is sum of charges quoted by bidder for all 18 Optional Services mentioned in Annexure-C.

Total No. of Optional Services i.e. 18.

- i. Service Fee is the sum of fees quoted for basic services, finger biometrics and facial biometrics.
- ii. The value of OS is the sum of OS prices offered by the Service Provider for the Optional Services in the approved list. Since the Quotient has a component of 10% OSs, this also needs to be suitably taken into account in the overall bid.
- iii. L1 will be determined on the basis of the lowest Q. The weightage value of the Service Fee is only for the purpose of determination of L1. L1 bidder to whom the contract is awarded will charge the actual Service Fee, biometric charges as and when introduced and applicable and OSs rendered as per the rates offered by the bidding company in the Financial Bid.
- f. The above decision will be conveyed only in the meeting of the representatives of the Bidding Companies, which have qualified for the Financial Bid stage. The date and time of the Meeting will be intimated by Mission by email. (The results of the Financial Bid will not be intimated by email at this stage).

g. During the Meeting, the names of the Companies rejected for lack of viability and the names of the Companies who have qualified in the Financial Bid stage will be announced. The weightage value of the Service Fee of all the qualified Companies will be announced and L1 will be selected accordingly. In the case of a tie, where more than one company has quoted the same evaluated lowest price, the Bidding Company graded higher in the evaluation of Technical Bids will be declared L1. In the event of a tie in this procedure as well, the company which has quoted lower in Service Fee would be declared L1. Accordingly, L1 will be declared in the Meeting and the announcement for the award of the contract will be made.

h. The weightage value of the Service Fee is only for the purpose of determination of L1. The Service Fee for the purpose of operations will be as per the price offered by the bidding Company in the Financial Bid.

i. The award of the Contract to the winning company will also be informed by email to all the qualifying Companies in the Financial Bid stage.

j. In the case of the company which has been awarded the Contract, the EMD will be returned only after submission of the requisite Bank Guarantees (BGs) and signing of the Agreement. If the Company fails to sign the Contract along with the BGs or fails to complete the procedures for opening the ICACs as per the time schedule stipulated by the Mission, the Bid Security Deposit (EMD) will be retained by the Mission and the Company may be banned from participation in future tender processes.

One PDF folder which contains all scanned pages in PDF format for each individual case (file number) in greyscale with an average page size less than 50KB, one cropped colour photograph for each case and All pdf files in the pdf folder should have a filename in upper case including extension i.e SAURV02345.PDF

2. The DVD should have a single CSV file containing metadata of all the pdf files and all meta-data should be in upper case.

3. Naming convention of CSV file and pdf folder should be as given below:

The Mission code(4 Char)+application type(1or 2 char)_outsource agency(3 Char)_date(in DDMMYY format)

e.g.

CSV File : SAURV_VFS_241013.csv

Folder Name of pdf : SAURV_VFS_241013 and files in this folder SAURV02345.PDF

The naming convention is indicative. In future, the conventions may be altered or automated by the Ministry Application Type code V for Visa application Blank or Passport application Data Submission/Acceptance:

The sample DVD should be submitted to NIC/MEA Delhi and the final DVD should be created only after written approval and confirmation of the sample DVD.

The final data should be written on to DVD's in 2 copies to be submitted [one at Indian Mission and the other to the Ministry]. However, the OSP need to keep the complete set of data till the confirmation on uploading the data either in the Mission or in the central System but not beyond six months from the date of submission of the DVDs. The Final Data should be supported with the year-wise list of the number of files. The data submitted in the Computer Cell, CPV Division would be tested as per the laid down procedure, which includes testing of data as per upload compatibility with the local setup of the Mission and IVFRT setup. Once the DVDs are found to be correct in all aspects, the DVDs would be sent for uploading to the PRIDE/IVFRT system as the case may be. The Mission also would be intimated about the status of the DVDs and DVDs would be uploaded locally at the Mission too.

6. DVD Naming nomenclature should be followed as below during burning of DVD aswell as on Hard copy when DVD is supplied to the Mission and NIC.

Mission code document category_vendor code_serial number.

e.g USANV_AGENCY CODE_0001 USAN
Mission code for New York (USA).
